Our school needs volunteers especially during lunch and recess. Consider donating some of your time. This really does contribute to creating a safe environment for our students. A district badge is required to volunteer. If you don't have one go to <https://www.wccusd.net/Page/3015> for more information or ask any PTA officer

Kinder Registration has begun!

If you or someone you know is interested in attending Stewart the time is now to register. At Stewart we have a lot to offer! We are K-8, have a Spanish dual immersion program, Y-Care, and a parent/teacher community actively trying to make Stewart a great learning environment for our students.

For more information and to register online go to the district website at wccusd.net (if interested in dual immersion make sure to stop by the main office)

Mid-Year Update

How quickly we have come to our mid-year point! As we reach this point in the year the PTA would like to update you on what we have been able to accomplish so far and the work that is yet to be done as we move forward in the spring.

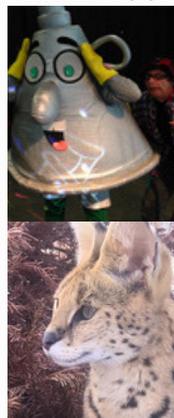

Fall

- The fall saw the return of our second annual Trunk or Treat event. It is great to see this event growing and seeing more families participate by bringing their kids or decorating their cars to give out candy. It would be great to see this event further develop and become a tradition at our school!
- We started the year strong with many successful fundraisers. Families showed their support with our Cookie Dough fundraiser and by showing up to at local businesses such as Chuck E. Cheese, Chipotle, and Panda Express.
- Before the Winter Break we successfully introduced the Penguin Patch Holiday Store fundraiser which allowed our students to take part in the spirit of giving by providing affordably priced items that they could purchase as gifts for family members and friends.
- **Our fundraising efforts are quickly approaching \$10,000!!**

THIS COULD NOT HAVE BEEN DONE WITHOUT YOU! THANK YOU!

Spring: What's coming next?

- We have a couple of fun school assemblies coming up that will bring some cool visitors to our school campus. In February we will have the Mr. Funnel Head Show to educate kids about clean water and in March things are going to get "wild" with Wildminds in which students learn about animal conservation.
- These are the type of activities we want to have more of as we move forward. These are only possible with your support. We want to make Stewart an enriching environment for our students. If you have suggestions, ideas, connections that you would like to share, please join us at our meetings the 2nd Tuesday of every month.

It's never to late to join our PTA! <https://jointotem.com/ca/pinole/elizabeth-stewart-pta/join>
